Inspire innovation, transform learning.

Technology solutions for Higher Education
Students, Faculty and Administrators

Higher Education use cases

Collaborative Learning PAGE 4

Provide unprecedented opportunities for students and faculty to meet, collaborate on projects, and exchange ideas — both in the classroom and around campus.

Computer Labs PAGE 5

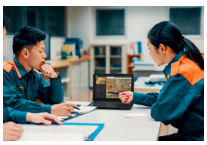
Whether for general use or to gain access to software and applications that put students at the forefront of learning, computer labs provide access to critical resources.

Faculty And Staff PAGE 6

When faculty is equipped with the right devices, work is more efficient, time is better-managed, and day-to-day productivity is optimized.

Students PAGE 7

Students must be equipped with robust mobile technology that is powerful, durable and affordable.

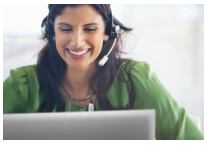


Vocational, Outdoor And Field Studies PAGE 8

Give students an opportunity to apply their skills and knowledge in real-world environments and engage in hands-on learning.

Esports and Gaming PAGE 9

From competition to production to game design, Dell Technologies delivers end-to-end esports solutions to help students get in the game.



Dell Education Solutions and Support PAGE 10

Upgrade to the most complete support and find useful resources for students, faculty and staff.

Solutions for Collaborative Learning

Revolutionize learning with powerful tools that allow students and faculty to meet and collaborate.

The Dell 75 4K Interactive Monitor encourages active learning and is ideal for students to practice collaboration, problem-solving, and teamwork. Take the display to wherever learning is taking place with an easily movable cart that is also height-adjustable to suit students of any height or with limited mobility.

Dell Recommended Solution

- **A** Dell 75 4K Interactive Touch Monitor - P7524QT
- **B** Large Fusion™ Manual Height Adjustable Mobile AV Cart – LPAUB (stand only - monitor not included)

Additional accessories and options

- **C** Latitude 5540 Laptop
- **D** Dell EcoLoop Pro Backpack 15 - CP5723

Simplify IT

Our most secure* & simple-to-manage offerings make IT management a breeze for our customers.

Improve fleet-wide security with Dell Trusted Workspace

Reduce the attack surface with the **industry's most secure commercial PCs*** featuring protections competitors cannot match:

- Be secure from first boot:
  Rigorous supply chain controls and Dell unique Secured Component Verification reduce the risk of product tampering.
- Spot ticking timebombs:
  Early alert feature Indicators of Attack, offered only by Dell, scans for behavior based threats.
- Stay protected from evolving threats:
  Only Dell offers off host BIOS and firmware verification, providing greater security than other PCs.

Layer on **advanced threat protection with software** from our ecosystem of best-of-breed partners (e.g., CrowdStrike, Absolute).
